

Dünyayı Dolaşıyorum, Lezzetli Yemekler Öğreniyorum (I'm Traveling The World, Learning Delicious Food)

Dünyanın farklı lezzetlerini daha iyi anlayabilmek, farklı ülkeleri ve yemek kültürlerini tanımaktan geçiyor. Öğrencilerin; Dünyanın farklı lezzetlerini daha iyi anlayabilmeleri için, farklı ülkeleri tanıyarak yemek kültürlerini proje ortaklarıyla paylaşmalarını amaçlamaktayız. Ayrıca proje faaliyetlerine katılma ve daha önce yapılan bilimsel çalışmalara katkı sağlamak amaçlarımız arasındadır.

I'm Traveling The World, Learning Delicious Food (I'm Traveling The World, Learning Delicious Food)

To better understand the different tastes of the world is to get to know different countries and food cultures. Students, We aim to get to know different countries and share their food cultures with the project partners so that they can better understand the different tastes of the world. We believe that I Travel the World Learning Delicious Foods project will have a great impact on students' learning about their food culture. By creating e books as a joint product work, we will ensure that learning is permanent and the project becomes widespread. (To better understand the different tastes of the world is to get to know different countries and food cultures. We aim for students to get to know different countries and share their food cultures with the project partners so that they can better understand the different tastes of the world.
